Notice of 2023 Fall Producer Meetings – (in-person) - **REVISED**

All producers are invited to attend regional meetings which will be held throughout the province between October 30, 2023 and November 15, 2023.

The fall producer meetings will include important updates on the progress of the Western Milk Pool transformation as well as Dairy Innovation West. There will be an update on production across the WMP as well as market outlooks. Producers will hear an update on the work of Dairy Farmers of Canada, as well the BC Dairy Association will discuss potential governance changes to the association. Board members and senior staff will be available to answer questions and discuss critical topics affecting our industry.

Please note: The first portion (approximately one hour) of the meeting will be open to producers only.
